

Acupuncture

at Lourdes Wellness Center

Acupuncture is an ancient therapy of health maintenance practiced in China.

Acupuncture involves inserting superfine, hair like needles at pressure points on the body. This painless procedure can aid in the healing of most all physical limitations. Lourdes Wellness center offers an innovative approach to managing weight, dealing with stress, and chronic pain management. An Acupuncture treatment will include a personalized treatment plan, including lifestyle counseling, a Chinese medicine evaluation, and acupuncture.

*Acupuncture appointments are available between the hours of:
Tuesdays, 9 am—1 pm
Thursdays, 5 pm—8 pm*

To schedule an appointment, please call (856) 869-3125
